The following statements regarding the federal Privacy Act are for informational purposes only. We need the information you put on this form for the purpose of evaluating your eligibility to be granted access to secure, sterile, operational, and other areas of the Airport. We must have your Social Security Number (SSN) to identify your records because other people may have the same name and birth-date. We also may use your SSN to make requests for information about you from employers, schools, banks, and others and to conduct background and criminal history checks. Furnishing your SSN and the other information sought is voluntary. However, failure to provide any part of the information may result in a determination that you are not eligible for access.
